## **AgroVision B.V. uses the following cookie types**

### **Functional cookies**

Functional cookies ensure that our website functions correctly. Consider, for example, the functionality to play a video, or to change language.

### **Analysis cookies**

With Analysis cookies, we collect statistics that relate to the use and users of our website. This allows us to continuously improve and update our website for the benefit of our visitors.

### **Social media cookies from third parties:**

Social media cookies are cookies that enable social media functionality. This includes the 'like' button for Facebook, and the easy sharing and viewing of videos through social media.

### **Tracking cookies**

These cookies enable us to provide you with customized information when you visit our website.
